

What We Do

We provide a full range of legal services including:

Business Law

Business owners face constant challenges. As business advisors, we assist business owners in developing and achieving their objectives in an often complex environment by providing creative and practical solutions.

Estate & Succession Planning

Estate and succession planning requires not only a firm grasp of the complex laws of taxation, trusts and estates, but also a deep understanding of a family's needs and desires.

Litigation

Our litigation lawyers are forceful, highly skilled advocates, with extensive experience in complex litigation at the trial and appellate levels.

Commercial Real Estate

With our unique blend of experience and talents we provide the fast, efficient and sophisticated service expected by clients across the entire spectrum of the real estate community. Most importantly, we never forget the bottom line—our clients want to get the deal done, and we find a way to do it.

Real Estate Investment Advisory Group

Current economic and credit market circumstances present challenges in all areas of real estate in preserving values and obtaining financing. Our experience allows us to anticipate strategic issues and to provide practical, business savvy solutions to help our clients achieve their goals in the most efficient and cost-effective manner.

Tax

Taxes impact every aspect of a business. Practical and creative solutions to tax questions depend on an in-depth knowledge of tax law as well as an understanding of how a business operates.
