## Real Estate Litigation

---

We are experts in all aspects of real estate litigation. We represent developers, financiers, owners, condominium corporations, partnerships and others in disputes relating to land and buildings such as:

- adverse possession
- agreements of purchase and sale
- commercial leases
- condominiums
- construction issues, including liens
- cost-sharing, construction and subdivision agreements
- environmental issues, such as soil contamination
- joint ventures, limited partnerships and syndications
- land titles disputes
- mortgage remedies
