

Shareholder & Partnership Arrangements

We are experts in structuring business associations that maximize our clients' outcomes, including:

- drafting shareholder agreements, partnership agreements, limited partnership agreements and co-tenancy agreements
- preparing agreements with tailored solutions to our clients' needs such as tax efficiencies, decision-making and control issues, corporate finance, minority rights, dispute resolution and structured exits such as buy-sell agreements, rights of first refusal or offer and other pre-emptive rights
- providing expert solutions to statutory compliance such as resident director requirements
- advising on cross-border investment structures
- assisting shareholders, partners and co-tenants in resolving disputes
