## Our Firm

---

Robins Appleby LLP is a trusted and highly regarded law firm focused on helping clients face important issues. This is why we take a client-centric approach, striving to gain an intimate understanding of your business, industry and company culture and your personal goals. No matter how complex the issue, our personalized approach, responsive service, strong interpersonal skills and sophisticated legal expertise translate into favourable results in both the boardroom and in the courtroom.

The relationship of trust we enjoy with our clients, along with our depth of legal experience and more than 60 years of acknowledged leadership, experience and integrity leads our clients to rely on us as their businesses develop and expand.

We provide a wide range of legal services including: **Business Law**; **Estate & Succession Planning**; **Litigation**; **Real Estate**; and **Tax**. Legal services are provided across Canada and internationally through our membership in the Legal Netlink Alliance.
